Please tell us anything else you would like us to know to help match you up with the right dog:

-
-
- SMYPR will inform you as best as our knowledge the age, condition, breed and behavior of the dog.
 - When fostering a shelter dog it's impossible to tell how long it would take for them to be first ready to be adoptable (depending medical, behavior, trauma) and then once they are ready how long it will take to find the right home. Bully breeds are a little more challenging to find the right home for.
 - You will be expected to keep the animal safe and secure, return it to SMYPR when requested to do so.
 - Unless otherwise arranged, the foster parent is responsible for providing appropriate food, bedding, and toys for the dog while it is in their care at home.
 - All expenses related to the foster dog must be approved in advance by SMYPR. Costs that are no pre-approved will not be reimbursed and remain the foster's responsibility.

The foster agrees and understands to respect all conditions stated above, as well as commits to SMYPR Terms and Conditions below.

1. I have read and understand the statements above. I certify that all the information contained in this application is true and correct.
2. I understand that although SMYPR takes responsible steps to screen animals for foster care placement, it makes no guarantees relating to the animals' health, behavior or actions.
3. I understand that I receive foster care dogs at my own risk and can decline to accept any dog for which SMYPR has asked me to provide care.
4. I acknowledge that SMYPR is not responsible for any property damage or personal injury suffered by me, members of my household, including my own animals, or any third parties during a foster placement, and I assume liability to provide adequate controls to prevent such damage
